

Silent No More Awareness Campaign Signature Advertisement

Silent No More is developing a full-page newspaper ad to raise awareness about the problems associated with abortion. Our goal is to have these full-page ads featured in local newspapers across the country in January. In order for them to have the full-impact we need at least 1700 signatures from women who regret our abortions.

If you would like to join your voice with ours to say "We Regret our Abortions" please fill out the Signature Ad Form below and return it to: Silent No More/NOEL, 405 Frederick Avenue, Sewickley, PA 15143. **This ad is only for women who regret their abortions.** *You can use your full name or first name and state.* A copy of the ad is also attached with this email.

1. Please print full name, address, and phone number.
2. Please sign the form. **The form is not valid without your signature.**
3. One name per form please. This is very important for record keeping purposes.
4. Please make sure to check the box indicating whether or not you give permission to have your name included on the Signature Ad.

Signature Ad Form

"I join with the Silent No More Awareness Campaign to say I regret my abortion and I will be silent no more about the negative after-effects it had on my life."

Please Print.
