

Much Trouble
(My Journey Here CD)

Hello mama, I know you can't hear me.
I guess you never will.
I just want to tell you what a great kid I'd have been
If I were with you still.

And I can't say I'd never cry, or get in your way sometimes
But I wouldn't have been much trouble
I know the life that you lead is more important than me
I just wanted your touch and I wouldn't have been much trouble.

I understand you did what you had to do
I hope you'll be okay
It's just that I'll miss being part of you
I love you anyway

And I can't say I'd never cry or get in your way sometimes
But I wouldn't have been much trouble
It seems a pity to waste this life God had made
I just wanted your love and I wouldn't have much trouble

If only I had the chance, I promise I would have tried
But how can I explain
I didn't even get to cry

Tell everyone I said hello, though we will never meet
And remember me cuz I was here
Even if it's not what you believe

And I can't say I'd never cry or get in your way sometimes
But I wouldn't have been much trouble
But God had a plan don't you see
There was reason for me
I just wanted your love, I just wanted a chance
And I wouldn't have been much trouble
